

Double-ended bench grinders with band arm

307653005

Combined polishing and grinding - POB 308 / 2800

ARBOGA POB 308 POLISHING & GRINDING MACHINE- designed for heavy-duty work!

With its solid construction and powerful motor, the model POB 308 from ARBOGA is the perfect polishing & grinding machine for those who are looking for a powerful machine that is capable of handling typical tasks and at the same time helps maintain a healthy working environment by emitting low levels of mechanical and electrical noise. The spindle shafts are precisely placed in well-shielded dustproof ball bearings.

ARBOGA POB 308 comes complete with a polishing guard and belt arm and is set up for connection to an exhaust system that is available for purchase as extra equipment.

POWERFUL MOTOR - The motor in the polishing machine is wound at our own factory in the town of Brovst, North Jutland, which is why we guarantee a quality motor that can operate continuously without needing downtime for cooling. The motor is encapsulated in a strong cast-iron structure that protects it against external impacts. If the polishing machine is used in accordance with the enclosed instructions, we vouch for a machine that will have a very long service life. This is why we offer a 5-year warranty on the motor.

BUILT FROM EXPERIENCE - ARBOGA has been manufacturing polishing machines for more than 90 years and is famous for their reliability, power, and quality materials. All polishing machines supplied by ARBOGA live up to all safety requirements in accordance with the CE marking and thus are equipped with separate emergency stop devices.

ARBOGA POB 308 GIVES YOU - An efficient and powerful 1,5 HP motor that does not need downtime for cooling. - A low-noise and powerful polishing machine without vibrations. - Large polishing guard with tapered spindle and polishing mop - Belt arm - Excellent safety with a separate emergency stop in accordance with the CE marking requirements. - 5-year warranty on the motor
