Polishing machine

 # 303653002

Doubled ended polishers - PO 312 / 2800

ARBOGA PO 312 POLISHING MACHINE– designed for heavy-duty work!

With its solid construction and powerful motor, the PO 312 Polisher from ARBOGA is the perfect polishing machine for those who are looking for a powerful polisher that is capable of handling typical tasks and at the same time helps maintain a healthy working environment by emitting low levels of mechanical and electrical noise. The spindle shafts are precisely placed in well-shielded dustproof ball bearings.

ARBOGA PO 312 comes complete with two polishing guards and is set up for connection to an exhaust system that is available for purchase as extra equipment.
